Past Performance

Department of Employment Services (DOES) - Created awards ceremony video for DOES' annual end of the year event. Our team captured interviews, video footage, handled pre and post-production, and delivered content in desired format to our client.

DC Board of Elections - Spearheaded content strategy and production of video series to encourage members of the community to register to vote and also serve as voter registration workers. The video was used for television ads, social media, on their internal network and website.

DC Department of Human Services - Produced a series of videos to inform SNAP participants of new rules and regulations. Our team handled casting, scriptwriting, storyboarding, pre and post-production, and captured footage.

Leverette Weekes - Our firm has executed a number of virtual events for the Minnesota based diversity company. From script writing to newsletter development our team has worked alongside Leverette Weekes to deliver compelling digital content strategy...
